

City Nights \$150

This is the elite session. It includes "Studio Lights" and "Country Sights" as well your choice of going to one of the following cities Cape Girardeau, St. Louis, Jonesboro or Memphis. We have our favorite locations in Cape but are ready and willing to branch out into other locations in order to give you the ultimate experience. This is the session we require of all our Senior Spirit Coordinators and is definitely the best we have to offer.

Country Sights \$120

This will include locations in and around a 50 mile radius of Risco and Malden. If you live beyond this range and would like for us to come to your town mileage may apply. This is for the country side of you or is you lean more toward the grunge style we have those locations also.

Studio Lights \$80

You will come to the studio where you will be treated like America's Next Top Model. My training and style was geared toward magazine shoots so i prefer to shoot on grey, white or black seamless paper. Other options may be available. You are entitled to as many clothing changes as you like, Props we have a few but feel free to bring your own like trophies, sports equipment, music, band instruments, and anything that defines who you are.

Your session fee covers my time and talent. It also entitle you to unlimited time, locations based on your chosen session, and clothing changes! We are currently offering three different senior sessions: Studio Lights, Country Sights, and City Nights. Session fee is due at the time of booking. Please have a Visa, MasterCard, Discover, American Express or Debit card ready when you call to book your session. As always cash or checks are welcome too. Regrefully we have to add a 3.5% surcharge on all credit card orders.
